

EDIT - task #8868

Bump Jackson dependencies to >= 2.9.10.1

02/29/2020 10:21 AM - Andreas Kohlbecker

Status:	Closed	Start date:	
Priority:	Highest	Due date:	
Assignee:	Andreas Kohlbecker	% Done:	100%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Release 5.13		
Severity:	normal		
Description			
Currently we are using v2.6.5 which has multiple highly severe security issues: https://github.com/cybertaxonomy/cdmlib/network/alert/pom.xml/com.fasterxml.jackson.core:jackson-databind/open			
Another reason for upgrading is that in the context of #5083 we need to use iif-apig which requires Jackson >= 2.9.0.

History

#1 - 02/29/2020 10:24 AM - Andreas Kohlbecker

IMPORTANT: the newer jackson jars are JEP-238 Jar, therefore it is needed to upgrade all usages of Jetty to 9.4.9 (or newer)

Jetty 9.4.15 works well, whereas I had problems with 9.4.27

waiting for Katja checking the if the last problem in the taxeditor project is caused by something else:

Eigentlich sollte alles wieder funktionieren, jedoch schlägt der `eu.etaxonomy.taxeditor.service.ProgressMonitorServiceTest` fehl wenn man mvn clean install auf dem kompletten Projekt macht. Wenn ich den Test separat ausführe, also mvn integration-test nur auf `taxeditor/eu.etaxonomy.taxeditor.test` oder aus Eclipse heraus läuft er durch.

Ich bin mir nicht sicher ob das noch was mit meinen Änderungen zu tun hat. Vielleicht könntest du Katja dir das mal ansehen?

this seems to be fixed.
