Description
in bulk editor, but currently is not:

The screenshot shows a software window titled 'Referenzen'. A 'Neu' menu is open, displaying a list of reference types: Personal Communication, Web Page, Report, Generic, Article, In Proceedings, Journal, Thesis, Section, Proceedings, Print Series, CD or DVD, Book, Book Section, Database, Patent, and Map. The background window shows a table with columns 'Nomencl. Cache' and 'Title'.
