ref #8891 preliminary remove state from test for categorical data (as saving does not work yet)

History

#1 - 03/19/2020 11:22 PM - Andreas Müller

- Status changed from New to Resolved

- % Done changed from 0 to 50

#2 - 03/20/2020 12:40 AM - Andreas Müller

Test with categorical data is not yet running as saving of state is problematic (it is DefinedTermBase), all the rest should work

#3 - 03/20/2020 12:12 PM - Andreas Müller

- Assignee changed from Andreas Müller to Katja Luther

Please review who ever wants to review. But don't close the ticket as there are open issues (test and remaining fields). The main focus of this ticket is too be able to export categorical data for FoG what seems to work.

#4 - 04/02/2020 11:16 PM - Andreas Müller

- Status changed from Resolved to Closed

- Assignee changed from Katja Luther to Andreas Müller

- % Done changed from 50 to 100

Constantia (FoG) tested the new implementation and told me it worked as expected for her. So I close this ticket as this was the main purpose.
