

EDIT - bug #8904

Show "cloned" icon in factual data view

03/26/2020 10:29 AM - Andreas Müller

Status:	Closed	Start date:	
Priority:	New	Due date:	
Assignee:	Katja Luther	% Done:	100%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Release 5.14	Found in Version:	
Severity:	major		
Description Otherwise it is only visible in the details view that the description is a cloned description which may easily lead to errors. I think for aggregated descriptions this already exists so we only need an appropriate icon here. Also cloned descriptions should not be editable (probably there is an according ticket for this already).
