

## EDIT - bug #9248

### ABCD import configuration is not fail save for creation of new classification

10/12/2020 01:02 PM - Katja Luther

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	New	<b>Due date:</b>	
<b>Assignee:</b>	Katja Luther	<b>% Done:</b>	0%
<b>Category:</b>	taxeditor	<b>Estimated time:</b>	0:00 hour
<b>Target version:</b>	Unassigned CDM tickets	<b>Found in Version:</b>	
<b>Severity:</b>	normal		

#### Description

When clicking on "do not create new classification for new taxa" but missing to define the classification for adding the new taxa, a new classification is created for new taxa.

Even if the option is unchecked, a new classification is created.  
Here we  
A) either need to make the option checked and readonly (with explanation)  
B) or the Classification selection should be in the config dialog
