

EDIT - bug #9506

Rights can not be selected for reuse

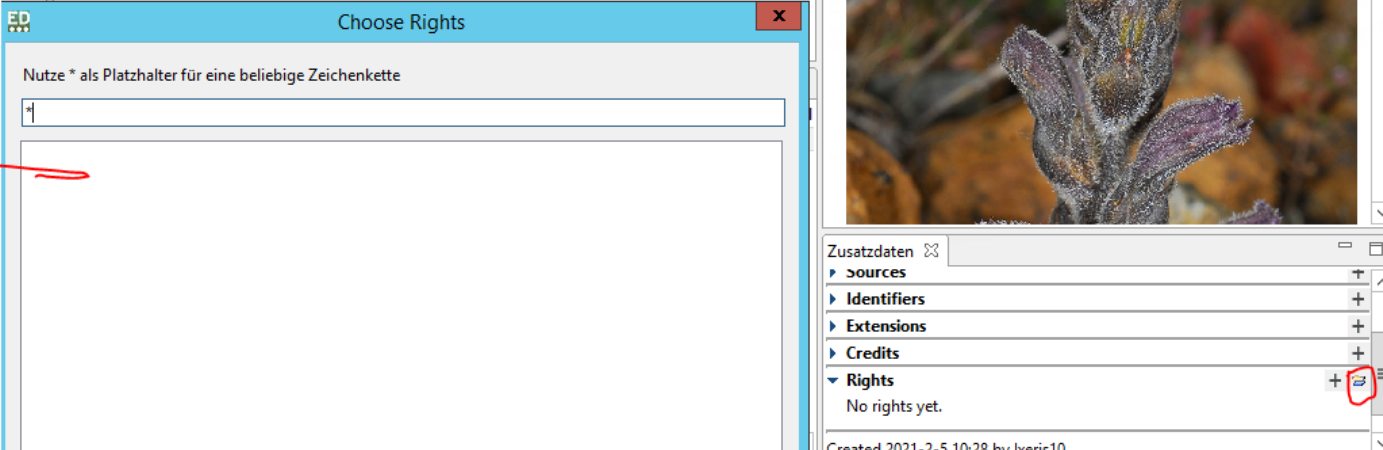

03/02/2021 10:35 PM - Andreas Müller

Status:	Closed	Start date:	
Priority:	Highest	Due date:	
Assignee:	Katja Luther	% Done:	100%
Category:	taxeditor	Estimated time:	0:00 hour
Target version:	Release 5.21	Found in Version:	
Severity:	normal		

Description

The selection dialog for rights does not show any existing data even if "*" is entered.

This happened in the cyprus production database.

ref 9506: show uri and abbrev text when available

History

#1 - 03/02/2021 11:10 PM - Andreas Müller

The problem is probably that for copyrights usually only an agent and the rights type is given, but no text. So the dialog field should include not only the text but maybe something like

```
{agent.titleCache} - {text} - {type.titleCache}
```

But the problem of course is that Rights has no titleCache as it is only AnnotatableEntity. So the question is how the search can work. Maybe a first solution could be to search separately on text, on agents used in rights and on rights type. Later we may think about more sophisticated solutions.

#2 - 03/03/2021 12:20 PM - Katja Luther

- Status changed from New to Resolved

- % Done changed from 0 to 50

Applied in changeset [cdmliib|90f0f3376dce0188f40dad490274d666ad82c2c5](#).

#3 - 03/03/2021 12:22 PM - Katja Luther

now the search is on text and agent.titlecache and the label contains {text} - {agent.titleCache} - {type.titleCache}

#4 - 03/03/2021 02:01 PM - Andreas Müller

is this already for review?

#5 - 03/03/2021 02:22 PM - Katja Luther

#8 - 03/04/2021 10:09 AM - Andreas Müller

- File picture205-1.png added

- Status changed from Resolved to Feedback

- Assignee changed from Andreas Müller to Katja Luther

Empty values are not handled correctly:

```
no text - null - null [51]
no text - null - null [41]
no text - null - null [13]
no text - null - null [11]
```

I think empty or null values should not show up in the list at all.

#9 - 03/04/2021 10:11 AM - Andreas Müller

We should also include abbrev and uri if data is not empty (see [#7091](#))

#10 - 03/04/2021 10:12 AM - Andreas Müller

Finally we could add a filter to search only on certain rights types. But this might be another ticket.

#11 - 03/04/2021 11:08 AM - Katja Luther

- Status changed from Feedback to In Progress

I think empty or null values should not show up in the list at all.

this is fixed.

This still looks like before:

Any empty text should not show up (including the dash), any null value should not show up at all (also not as "null")

#14 - 03/04/2021 02:25 PM - Andreas Müller

- Status changed from Resolved to Feedback

- Assignee changed from Andreas Müller to Katja Luther

this is fixed.

It doesn't seem to be part of the search, maybe this was a misunderstanding. In [#7091](#) it is required that these attributes are editable. Her in [#9506](#) they should also be searchable, in the same way as the other parts, separated by dash, but only showing up in the label, if data exists.

#15 - 03/05/2021 04:26 PM - Andreas Müller

- Status changed from Feedback to Closed

- Priority changed from New to Highest

- % Done changed from 50 to 100

This works now. Maybe the server was not restarted when I checked last time.
