#### History

#### #1 - 05/03/2021 02:50 PM - Katja Luther

- Category set to cdmlib
- Assignee set to Katja Luther
- Target version changed from Unassigned CDM tickets to Release 5.25

### #2 - 05/27/2021 02:24 PM - Katja Luther

- Status changed from New to In Progress

The exceptions where caused by the names of the synonyms (but there are more messages than synonyms, this needs to be checked as well), the error message should contain more informations about which object is meant.

### #3 - 07/16/2021 02:52 PM - Andreas Müller

- Target version changed from Release 5.25 to Release 5.45
