

EDIT - feature request #9643

New menu in term tree editor should have alternatives for flags

Target version:	Unassigned CDM tickets		
Severity:	normal		
Description			
copied from #8476 , #8474 (and #8776 , not really mentioned there)			
But as there are 3 flags there is a larger number of possible combination so not sure if this makes really sense. And term trees are not created so often, so maybe not so important.
