

EDIT - bug #9790

Remove source mode "highest Status" from DDS Aggregation

Status:	Closed	Start date:	
Priority:	Highest	Due date:	
Assignee:	Andreas Müller	% Done:	100%
Category:	cdmlib	Estimated time:	0:00 hour
Target version:	Release 5.27	Found in Version:	
Severity:	normal		
Description			
only highest status (or "OnlySameValue") should for now not be available for Descriptive Dataset aggregation. We need to implement the according filter for AggregationSourceMode.list(..., AggregationType type). TODO: still need to check if this already works in TaxEditor.
