

## EDIT - bug #9872

Selecting cancel in "many records selected" dialogue for specimen tree editor has not effect.

<b>Severity:</b>	normal		
<b>Description</b>			
<p>In specimen tree editor when search returns a larger number of records a warning appears that many records were selected. The warning can be answered by "OK" or "cancel". However, cancel has no effect. Instead the records are selected the same way as when choosing "OK".</p> <p>An example is selecting "Ab*" in Salvador database.</p>
