| Description | | | |
| Currently the attempt to access an vaadin UI that is disabled causes a incomprehensible exception which hardly can be related to the real cause. Instead a informative message should be shown to the user. | | | |

the message dialog does not yet appear for all UIs (e.g.: <http://test.e-taxonomy.eu/cdmserver/phycoBank/app/distribution#!login/distGrid>)

This will change though once [#9860](#) is solved.

By now these UIs show up in read only mode, which is acceptable as interim solution.
