

EDIT - feature request #9910

Add configurable flag for common name search in dataportal simple search

01/05/2022 12:27 PM - Andreas Müller

Status:	New	Start date:	
Priority:	New	Due date:

Category:	cdm-dataportal	Estimated time:	0:00 hour
Target version:	Unassigned CDM tickets		
Severity:	normal		
Description			
Some portals may want to have a common name search flag included in simple search (similar to include misapplication flag). Showing the flag should be configurable. Default should be "no".
