| <b>cdm-dataportal (7)</b> |                 |        |            |                                                                                        |                    |                |                |               |
| 6432                      | bug             | Closed | Highest    | Apply CSS only to non-admin pages                                                      | Andreas Kohlbecker | Release 4.6    | cdm-dataportal | faunaEuropaea |
| 6349                      | bug             | Closed | Highest    | Fix media description handling                                                         | Andreas Kohlbecker | Release 4.6    | cdm-dataportal | salvador      |
| 6375                      | bug             | Closed | Priority14 | footnotes on sensu references must not be prefixed with 'sensu'                        | Andreas Kohlbecker | Release 4.6    | cdm-dataportal | cuba          |
| 6382                      | bug             | Closed | New        | option to supply user credentials in the admin setting for the freetext index triggers | Andreas Kohlbecker | Release 4.6    | cdm-dataportal |               |
| 6431                      | bug             | Closed | Highest    | php INFO 'warnings' in fauna europeae taxon page                                       | Andreas Kohlbecker | Release 4.6    | cdm-dataportal | faunaEuropaea |
| 6392                      | task            | Closed | Highest    | selenium tests for palmweb uses data                                                   | Andreas Kohlbecker | Release 4.6    | cdm-dataportal |               |
| 6374                      | bug             | Closed | New        | Uses no longer shown in palmweb portal broken                                          | Andreas Kohlbecker | Release 4.6    | cdm-dataportal | palmweb       |
| <b>cdmadapter (1)</b>     |                 |        |            |                                                                                        |                    |                |                |               |
| 6440                      | bug             | Closed | Highest    | Improve IPNI Name Service                                                              | Katja Luther       | Release 4.6    | cdmadapter     |               |
| <b>cdmlib (26)</b>        |                 |        |            |                                                                                        |                    |                |                |               |
| 6439                      | bug             | Closed | New        | Add (Heft xxx) as part of volume to name parser                                        | Andreas Müller     | Release 4.6    | cdmlib         | parser        |
| 6354                      | bug             | Closed | Highest    | Advanced search: non phrase search with wildcard broken                                | Andreas Kohlbecker | Release 4.6    | cdmlib         | search        |
| 5554                      | feature request | Closed | Highest    | Allow parsing of lat/long with different minute/second characters                      | Andreas Müller     | Release 4.6    | cdmlib         | mexico_ws     |
| 5983                      | feature request | Closed | Highest    | Better parsing of hybrid names                                                         | Andreas Müller     | Release 4.6    | cdmlib         | hybrid-taxa   |
| 6419                      | task            | Closed | New        | CdmApplicationDefaultConfiguration should be named CdmRepository                       | Andreas Kohlbecker | Release 4.6    | cdmlib         |               |
| 6405                      | bug             | Closed | New        | CdmPermissionVoter handles merged and separate CdmAuthorities the same                 | Andreas Kohlbecker | Release 4.6    | cdmlib         | security      |
| 5924                      | bug             | Closed | Highest    | Change password leads to bad credentials                                               | Katja Luther       | Release 4.6    | cdmlib         |               |
| 4232                      | task            | Closed | Highest    | Check all Comparators for fulfilling the Comparator contract                           | Katja Luther       | Release 4.6    | cdmlib         |               |
| 6369                      | feature request | Closed | Highest    | Create interfaces for TaxonName types                                                  | Andreas Müller     | Release 4.6    | cdmlib         |               |
| 922                       | feature request | Closed | Priority12 | Implement compareTo method in IdentifiableEntity properly                              | Andreas Müller     | Release 4.6    | cdmlib         |               |
| 6459                      | bug             | Closed | Highest    | Implement deduplication for IntextReferences                                           | Andreas Müller     | Release 4.6    | cdmlib         |               |
| 6363                      | feature request | Closed | Highest    | Implement validation rules for all names according to their code                       | Andreas Müller     | Release 4.6    | cdmlib         | validation    |
| 6111                      | bug             | Closed | Highest    | invalid SQL (MySQLSyntaxErrorException) during call to CdmEntityDaoBase.list()         | Andreas Kohlbecker | Release 4.6    | cdmlib         |               |
| 6365                      | bug             | Closed | New        | Merge botanical and zoological names into TaxonNameBase                                | Andreas Müller     | Release 4.6    | cdmlib         | validation    |

| #                        | Tracker         | Status   | Priority   | Subject                                                                                             | Assignee           | Target version | Category      | Tags       |
|--------------------------|-----------------|----------|------------|-----------------------------------------------------------------------------------------------------|--------------------|----------------|---------------|------------|
| 6366                     | task            | Closed   | New        | Merge cultivar names into TaxonNameBase                                                             | Andreas Müller     | Release 4.6    | cdmlib        | validation |
| 6364                     | task            | Closed   | New        | Merge viral names and bacterial names into TaxonNameBase                                            | Andreas Müller     | Release 4.6    | cdmlib        | validation |
| 6360                     | task            | Closed   | New        | Move NonViralName functionality to TaxonNameBase                                                    | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 6496                     | bug             | Closed   | Highest    | Pages not shown in bibliographic reference of articles                                              | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 5848                     | feature request | Closed   | New        | Problem with writing ehCache folder on network drive using UNC path (net.sf.ehcache.CacheException) | Ben Stöver         | Release 4.6    | cdmlib        | ehcache    |
| 6311                     | bug             | Rejected | Highest    | Refactor IdentifiableEntity.compareTo method                                                        | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 6362                     | task            | Closed   | New        | Remove occurrence of NonViralName in code                                                           | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 2501                     | task            | Closed   | Highest    | Remove redundant SDD import class                                                                   | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 5834                     | bug             | Closed   | Highest    | Show volume etc. for generic references                                                             | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 6076                     | feature request | Closed   | Highest    | Specimen biocase search should work on observations                                                 | Katja Luther       | Release 4.6    | cdmlib        |            |
| 6381                     | bug             | Closed   | Highest    | Specimen titleCache should include barcode or catalogue number if accession number not exists       | Andreas Müller     | Release 4.6    | cdmlib        |            |
| 4390                     | bug             | Closed   | Highest    | Titlecache of field unit does not update when changing field unit data via derived unit facade      | Katja Luther       | Release 4.6    | cdmlib        |            |
| <b>cdmlib-remote (3)</b> |                 |          |            |                                                                                                     |                    |                |               |            |
| 2939                     | bug             | Closed   | Highest    | ehcache diskStore conflict?                                                                         | Andreas Kohlbecker | Release 4.6    | cdmlib-remote | ehcache    |
| 6393                     | bug             | Closed   | Highest    | manage/* web service can be used by ajax requests                                                   | Andreas Kohlbecker | Release 4.6    | cdmlib-remote | security   |
| 6398                     | bug             | Closed   | Highest    | portal/taxon/{uuid}/descriptions.json with markerType-filter returns no data                        | Andreas Kohlbecker | Release 4.6    | cdmlib-remote | palmweb    |
| <b>devOps (1)</b>        |                 |          |            |                                                                                                     |                    |                |               |            |
| 6255                     | bug             | Closed   | Highest    | jenkins job cdm-webapp-HFX-FINISH fails due to merge conflict                                       | Andreas Kohlbecker | Release 4.6    | devOps        |            |
| <b>platform (1)</b>      |                 |          |            |                                                                                                     |                    |                |               |            |
| 6401                     | task            | Closed   | Highest    | Update working environment to jdk 1.8                                                               | Patrick Plitzner   | Release 4.6    | platform      |            |
| <b>taxeditor (30)</b>    |                 |          |            |                                                                                                     |                    |                |               |            |
| 6497                     | bug             | Closed   | New        | "Open in bulkeditor" does not show up in SearchResultView                                           | Patrick Plitzner   | Release 4.6    | taxeditor     |            |
| 6308                     | feature request | Closed   | Highest    | Add configuration dialog for the deletion of synonyms in name editor                                | Katja Luther       | Release 4.6    | taxeditor     |            |
| 6214                     | bug             | Closed   | Priority14 | Add project specific preferences to CdmPreference menu                                              | Katja Luther       | Release 4.6    | taxeditor     |            |
| 6488                     | bug             | Closed   | New        | Always show some label text in the specimen editor even when no information is available            | Andreas Müller     | Release 4.6    | taxeditor     |            |
